

FORK Panel - Vertical | Black

Il FORK Panel è la soluzione innovativa per aggiungere una porzione in Velcro® sulle comuni tasche verticali. Consente agli operatori di installare le tasche sfruttando il Velcro® presente su plate carriers e cinture. Grazie al design innovativo e al materiale composito con cui è realizzato, non necessita di MOLLE/MALICE per essere installato.

FORK Panel Vertical | Black Safety Instructions

Introduction

Thank you for choosing the FORK Panel Vertical | Black. This innovative solution allows for the addition of a Velcro® portion to standard vertical pockets, enabling operators to install pouches using the Velcro® present on plate carriers and belts. This safety instruction guide provides essential information to ensure the safe use and installation of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the FORK Panel is used only for its intended purpose.
- Inspect the product regularly for any signs of wear or damage before use.
- Keep the product out of reach of children to prevent accidental use or injury.
- Do not use the product if it shows any signs of damage or malfunction.
- Always follow the installation instructions carefully to avoid improper use.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit for the pouches attached to the FORK Panel.
- **Check Compatibility:** Ensure that the FORK Panel is compatible with the plate carriers and belts you are using.
- **Secure Attachment:** Make sure that the Velcro® is securely attached before use to prevent accidental detachment.
- **Environmental Considerations:** Avoid exposing the product to extreme temperatures or harsh chemicals that may degrade the material.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident or injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the surface of the plate carrier or belt is clean and free from debris.
- Identify the desired location for the FORK Panel installation.

2. Installation:

- Align the FORK Panel with the Velcro® on the plate carrier or belt.
- Press firmly to ensure a secure attachment.
- Doublecheck that the panel is securely fastened before proceeding to use.

3. Usage:

- Attach pouches to the FORK Panel as needed.
- Regularly check the attachment points to ensure they remain secure during use.
- Remove any pouches when not in use to prevent unnecessary wear on the Velcro®.

Disposal Instructions

- Dispose of the FORK Panel in accordance with local regulations.
- Do not incinerate the product as it may release harmful substances.
- If the product is no longer usable, consider recycling it if possible.
