Safety Instruction Guide for INSERT Ranger Green

Introduction

Thank you for choosing the INSERT Ranger Green Individual First Aid Kit. This kit is designed to contain lifesaving medical supplies necessary for implementing the MARCH protocol. It can be used as a standalone product or as an internal insert for the RIFAK kit (Horizontal Vertical). This guide provides essential safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the kit is used according to the instructions provided. The kit is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the retailer meets the safety requirements outlined by EU regulations.
- **Special Consumer Focus:** This kit is not intended for use by children without adult supervision. Ensure that vulnerable groups are protected from potential hazards.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates on unsafe products via the Safety Gate system. Regularly check for any alerts that may affect your product.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The contents of the kit may include sharp objects (e.g., scissors, tweezers) that can cause injury if not handled properly.
 - Some medical supplies may have expiration dates. Check the dates regularly and replace expired items.
- **Avoiding Hazards:**
 - Always handle sharp objects with care.
 - Keep the kit out of reach of children unless supervised by an adult.
 - Do not use any items that appear damaged or compromised.
 - Ensure that the kit is stored in a cool, dry place to maintain the integrity of the supplies.

Instructions for Installation and Usage

- **Installation:**
 - If using as an insert in the RIFAK kit, follow the manufacturer's instructions for proper placement.
 - Ensure that all components are securely stored and easily accessible.
- **Usage:**
 - Familiarize yourself with the contents of the kit. Review the instructions for each item included.
 - In case of an emergency, use the supplies according to the MARCH protocol:
 - **M** Massive Hemorrhage: Control severe bleeding.
 - **A** Airway: Ensure the airway is clear.
 - **R** Respiratory: Assist with breathing difficulties.
 - **C** Circulation: Monitor and maintain circulation.
 - **H** Hypothermia: Prevent heat loss.
 - Always call for professional medical help when necessary.

Disposal Instructions

- Dispose of any expired or used medical supplies in accordance with local regulations.
- Do not throw away sharp objects in regular trash. Use a designated sharps container if available.
- Ensure that the kit itself is disposed of responsibly when no longer needed.

Contact Information for Further Support

For any inquiries regarding the INSERT Ranger Green kit, please refer to the manufacturer's contact information provided in the product packaging. It is important to reach out for any concerns or questions regarding safety and usage.

Thank you for your attention to these safety instructions. Your safety and wellbeing are our top priority.
