

## RIFAK Horizontal - Black

RIFAK ( Rip-Away IFAK ) è il nuovo kit individuale di primo soccorso progettato per contenere i presidi medici salvavita necessari all'attuazione del protocollo MARCH. La RIFAK conta due componenti distinte: un involucro esterno e un inserto interno estraibile, dove sono contenuti i presidi medici. Il sistema di sgancio è stato sviluppato per essere estremamente sicuro ma anche intuitivo da estrarre.

### CARATTERISTICHE:

- Grazie al sistema Rip-Away l'operatore sarà in grado di raggiungere tutti i presidi medici in meno di 6 secondi.
- Non c'è rischio che i presidi medici possano fuoriuscire accidentalmente dall'inserto, anche estraendolo bruscamente, perché sono vincolati su tutti i lati.
- Non sono stati aggiunti "abbellimenti" (es. croci mediche, velcro, ricami...) che possano confondere l'operatore. L'unica porzione evidenziata in rosso è la maniglia di estrazione.
- Il cordino elastico esterno può essere usato per comprimere le dimensioni della tasca oltre che per trasportare un Tourniquet.
- Sui PALS/MOLLE laterali è possibile installare ulteriori tasche e/o vincolare strumenti come Forbici, Strap-Cutter e Tourniquet.

# RIFAK Horizontal Black Safety Instruction Guide

## Introduction

Thank you for choosing the RIFAK (RipAway IFAK) kit. This individual first aid kit is designed to provide essential medical supplies for emergency situations. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** The RIFAK kit complies with the EU General Product Safety Regulation (GPSR), ensuring safe use of all components.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and free remedies for any dangerous issues.
- **Online Shopping:** The same safety protections apply whether you purchase this product online or in a physical store.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, please consult the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Ensure the kit is kept out of reach of children to prevent accidental use of medical supplies.
  - Regularly check the contents of the kit for expiration dates and damage.
- **Avoiding Hazards:**
  - Use the kit only for its intended purpose.
  - Do not attempt to modify or repair the kit yourself.
  - Ensure that all medical supplies are securely stored within the insert to avoid loss during transport.

## Instructions for Installation and Usage

- **Installation:**
  - Securely attach the RIFAK kit to your gear using the PALS/MOLLE system.
  - Ensure that the kit is easily accessible for quick retrieval in emergencies.
- **Usage:**
  - To access medical supplies, pull the RipAway system to detach the kit from its mounting.
  - In less than 6 seconds, you can reach all medical supplies.
  - Be cautious while extracting the insert to avoid any accidental spillage of contents.
  - The external elastic cord can be used to compress the pocket size or to carry a Tourniquet.
  - Avoid using the kit in extreme weather conditions that may affect the integrity of the medical supplies.

## Disposal Instructions

- Dispose of any expired or damaged medical supplies according to local regulations.
- The RIFAK kit itself should be recycled or disposed of in accordance with local waste management guidelines.
- Do not throw away the kit in regular trash if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFAK kit, please refer to the designated contact point provided with your product purchase.

Thank you for prioritizing safety and preparedness with the RIFAK Horizontal Black kit.
