# Trauma Sheet Bag KIT 35 | MultiCam® Safety Instructions

## Introduction

Thank you for choosing the Trauma Sheet Bag KIT 35. This product is designed to help you effectively store and organize medical supplies necessary for setting up a Casualty Collection Point (CCP) and/or preparing a MEDEVAC/CASEVAC vehicle. It features multiple attachment points and customizable internal pockets, making it adaptable for various operational scenarios. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the Trauma Sheet Bag is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear and tear that could compromise its functionality.
- Keep the bag away from sharp objects that could puncture or damage it.
- Store the bag in a cool, dry place away from direct sunlight to prevent material degradation.
- If you notice any damage or malfunction, discontinue use immediately and report it to the manufacturer.
- Always follow local regulations and guidelines when using medical supplies.

## Specific Safety Precautions for Use

- **For Adults Only:** This product is intended for use by adults or under adult supervision.
- **Avoid Overloading:** Do not exceed the recommended weight limit for the bag to prevent damage and ensure ease of transport.
- **Secure Storage:** Ensure that all medical supplies are securely stored within the bag to prevent accidental spillage during transport.
- **Emergency Situations:** Be familiar with the contents of the bag and how to access them quickly in an emergency.
- **Hygiene:** Maintain proper hygiene when handling medical supplies to prevent contamination.

## Instructions for Installation and Usage

### 1. Initial Setup:

- Unpack the Trauma Sheet Bag and check for all components.
- Familiarize yourself with the various pockets and attachment points.

### 2. Customizing Internal Pockets:

- Adjust the internal pockets as needed to suit your specific medical supply requirements.
- Ensure that all pockets are securely fastened and accessible.

### 3. Loading Medical Supplies:

- Place medical supplies into the designated pockets, ensuring that heavier items are placed at the bottom for stability.
- Check that all items are securely stored and that the bag can be closed properly.

### 4. Transporting the Bag:

- Use the handles or shoulder strap to carry the bag.
- Ensure that the bag is balanced and that you can maintain a firm grip during transport.

## 5. **PostUse Care:**

- After use, clean the bag according to the manufacturer's recommendations.
- Store the bag in a designated area away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the Trauma Sheet Bag in accordance with local waste management regulations.
- If the bag is damaged beyond repair, consider recycling materials where applicable.
- Ensure that any medical supplies that are no longer usable are disposed of safely and in compliance with local health regulations.

## **Contact Information for Further Support**

For safety inquiries or more information about the Trauma Sheet Bag KIT 35, please reach out to the manufacturer or your local distributor.
