

## Trauma Sheet Bag KIT - 50 | Black

La Trauma Sheet Bag è stata progettata per contenere ed organizzare tutti i presidi medici necessari ad allestire un CCP ( Punto di raccolta feriti ) e/o per allestire un vettore MEDEVAC/CASEVAC. I numerosi punti di ancoraggio e la possibilità di personalizzazione delle tasche interne rendono la borsa adattabile a tutti gli scenari operativi.

## Instructions

### Introduction

Thank you for choosing the Trauma Sheet Bag KIT 50. This product is designed to store and organize all the necessary medical supplies required for setting up a Casualty Collection Point (CCP) and/or for preparing a MEDEVAC/CASEVAC vehicle. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Ensure that the Trauma Sheet Bag is used in accordance with the intended purpose.
- Regularly inspect the bag for any signs of wear or damage.
- Keep the bag away from sharp objects that may puncture or tear it.
- Store the bag in a cool, dry place to prevent deterioration of materials.
- Always check that all medical supplies are within their expiration dates before use.
- Be aware of your surroundings when using the bag in operational scenarios.

### Specific Safety Precautions for Use

- When loading the bag, ensure that it is not overloaded, which may compromise its integrity.
- Use the bag only for its intended medical purpose; do not use it for carrying nonmedical items.
- Ensure that all fasteners and closures are secure before transporting the bag.
- If the bag becomes contaminated, follow proper decontamination procedures before further use.
- Keep the bag out of reach of children and unauthorized personnel to prevent misuse.

### Instructions for Installation and Usage

#### 1. Preparation

- Unpack the Trauma Sheet Bag from its packaging.
- Review the contents to ensure all necessary medical supplies are included.

#### 2. Loading the Bag

- Organize medical supplies according to type and usage frequency.
- Utilize the customizable internal pockets to secure items, ensuring they are easily accessible.
- Ensure that heavier items are placed at the bottom of the bag for better weight distribution.

#### 3. Transporting the Bag

- Use the designated handles or straps to carry the bag.
- Ensure that the bag is securely closed before lifting or moving it.

#### 4. Setting Up in the Field

- Identify a safe and stable location to set up the bag.
- Open the bag and arrange supplies as needed for immediate access.
- Ensure that the bag is positioned away from potential hazards.

#### 5. PostUse Care

- After use, clean the bag according to the manufacturer's cleaning instructions.

- Restock any used medical supplies and check for expiration dates.
- Store the bag in a designated area, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the Trauma Sheet Bag responsibly when it is no longer usable.
- Follow local regulations for the disposal of medical supplies and materials.
- If the bag is contaminated, consult local hazardous waste guidelines for proper disposal.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Trauma Sheet Bag KIT 50, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you will help ensure a safe and effective experience with the Trauma Sheet Bag KIT 50. Always prioritize safety and stay informed about any updates or recalls related to this product.
