

## **Trauma Sheet Bag KIT - 50 | Coyote**

La Trauma Sheet Bag è stata progettata per contenere ed organizzare tutti i presidi medici necessari ad allestire un CCP ( Punto di raccolta feriti ) e/o per allestire un vettore MEDEVAC/CASEVAC. I numerosi punti di ancoraggio e la possibilità di personalizzazione delle tasche interne rendono la borsa adattabile a tutti gli scenari operativi.

# Trauma Sheet Bag KIT 50 | Coyote Safety Instructions

## Introduction

Thank you for choosing the Trauma Sheet Bag KIT 50. This product is designed to safely store and organize all necessary medical supplies for setting up a Casualty Collection Point (CCP) and/or for preparing a MEDEVAC/CASEVAC vehicle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the Trauma Sheet Bag is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear and tear that may compromise its integrity.
- Keep the bag and its contents out of reach of children unless under adult supervision.
- In case of any malfunction or damage, stop using the product immediately and report it to the relevant authorities.
- Always stay informed about any recall notices and safety updates regarding this product.

## Specific Safety Precautions for Use

- Before use, familiarize yourself with the layout and organization of the bag.
- Ensure that all medical supplies are securely stored within the bag to prevent loss or damage during transport.
- When transporting the bag, ensure it is properly secured to avoid any accidental opening.
- Avoid exposing the bag to extreme temperatures or harsh environmental conditions that may affect its materials.
- If using the bag in a medical emergency, ensure that you are trained in first aid and emergency response.

## Instructions for Installation and Usage

### 1. Setting Up the Bag:

- Unzip the bag and lay it flat on a stable surface.
- Organize medical supplies in the designated pockets, ensuring easy access during emergencies.
- Use the internal anchor points to secure larger items if necessary.

### 2. Using the Bag in the Field:

- When deploying the bag in a CCP or for MEDEVAC/CASEVAC, ensure that all team members are aware of its location and contents.
- Communicate clearly with your team regarding the use of supplies from the bag.
- After use, ensure that all items are accounted for and that the bag is repacked properly.

### 3. Maintenance:

- Clean the bag regularly with a damp cloth to remove dirt and debris.
- Check all zippers, straps, and seams for any damage and repair or replace as necessary.
- Store the bag in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the Trauma Sheet Bag in accordance with local regulations for textile and medical waste.
- If the bag is damaged beyond repair, do not attempt to reuse it for any purpose.
- Ensure that all medical supplies are removed and disposed of properly before discarding the bag.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Trauma Sheet Bag KIT 50, please refer to the EUbased contact point provided by the manufacturer. Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

By following these guidelines, you can ensure the safe and effective use of your Trauma Sheet Bag KIT 50. Thank you for prioritizing safety and preparedness.
