# Safety Instruction Guide for Toggle KIT Coyote

## Introduction

Thank you for choosing the Toggle KIT Coyote by BLACKFOLIUM. This kit is designed to enhance the usability and ergonomics of your equipment by replacing the zipper pulls. It is important to follow the safety instructions outlined in this guide to ensure safe usage and to maximize the benefits of the product.

## General Safety Guidelines

- Ensure safe use of the Toggle KIT by following all instructions carefully.
- Always check for any visible damage or defects before use.
- Keep the product out of reach of children to prevent accidents.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Toggle KIT only for its intended purpose, which is to replace zipper pulls on compatible equipment.
- Avoid using the product in environments where it may become entangled or cause injury.
- Do not use excessive force when operating the zippers with the Toggle KIT to prevent damage.
- If you experience difficulty operating the zippers, discontinue use and inspect the product for any issues.

## Instructions for Installation and Usage

### 1. Installation of Toggle KIT:

- Identify the zipper pull that you wish to replace.
- Carefully remove the existing zipper pull by unthreading or cutting it, if necessary.
- Take the Toggle KIT and attach it to the zipper slider. Ensure it is securely fastened.

### 2. Usage of Toggle KIT:

- To operate the zipper, grasp the Toggle securely.
- Pull the Toggle gently to open or close the zipper.
- In low visibility conditions or while wearing tactical gloves, the Toggle's design will facilitate easier operation.

## Disposal Instructions

- Dispose of the Toggle KIT responsibly according to local regulations.
- Do not dispose of the product in general waste if it contains any hazardous materials.
- Consider recycling the product if possible.
