

## **TQ Pouch - Black**

Il Tourniquet rappresenta il più importante presidio salvavita nella prevenzione delle emorragie massive. Per questo motivo abbiamo sviluppato una tasca che ne consentisse il trasporto e l'estrazione intuitiva. Inoltre, grazie al suo design innovativo, può essere installata sia orizzontalmente che verticalmente su diverse tipologie di equipaggiamento.

# TQ Pouch Black Safety Instruction Guide

## Introduction

Thank you for choosing the TQ Pouch Black by BLACKFOLIUM. This pouch is designed to securely carry and allow for the intuitive extraction of a tourniquet, which is a critical lifesaving device in preventing massive hemorrhages. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the TQ Pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage before each use.
- Keep the pouch out of reach of children when not in use.
- Do not expose the pouch to extreme temperatures or harsh chemicals.
- Report any unsafe conditions or incidents related to the pouch to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the tourniquet is properly secured within the pouch.
- Familiarize yourself with the extraction mechanism of the pouch before an emergency situation.
- Do not overload the pouch with additional items that may hinder the quick access to the tourniquet.
- If the pouch becomes damaged, discontinue use immediately and replace it.

## Instructions for Installation and Usage

### Installation

1. Choose a suitable location on your equipment for the pouch, ensuring it is easily accessible.
2. The pouch can be installed either horizontally or vertically.
3. Use the provided mounting hardware to secure the pouch in place. Ensure it is tightly fastened to prevent movement during use.
4. Verify that the pouch is securely attached before use.

### Usage

1. To access the tourniquet, simply pull the extraction tab. Ensure that you have a firm grip on the pouch.
2. In an emergency, quickly remove the tourniquet from the pouch and follow the manufacturer's instructions for application.
3. After use, ensure that the pouch is returned to its original position for future accessibility.

## Disposal Instructions

- Dispose of the pouch in accordance with local waste disposal regulations.
- Do not incinerate the pouch as it may release harmful substances.
- If the pouch is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the TQ Pouch Black, please refer to the EU contact point or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
