

## **TQ Pouch - Coyote**

Il Tourniquet rappresenta il più importante presidio salvavita nella prevenzione delle emorragie massive. Per questo motivo abbiamo sviluppato una tasca che ne consentisse il trasporto e l'estrazione intuitiva. Inoltre, grazie al suo design innovativo, può essere installata sia orizzontalmente che verticalmente su diverse tipologie di equipaggiamento.

# TQ Pouch Coyote Safety Instructions

## Introduction

Thank you for choosing the TQ Pouch Coyote. This pouch is designed to safely store and allow for the intuitive extraction of a tourniquet, which is a critical tool for preventing massive hemorrhages. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose: to carry and provide access to a tourniquet.
- Regularly inspect the pouch for any signs of damage or wear. Do not use if damaged.
- Keep the pouch out of reach of children unless under adult supervision.
- Follow all instructions provided for installation and usage to avoid any risk of injury.

## Specific Safety Precautions for Use

- **Hazard Identification:** The primary hazards associated with the use of the TQ Pouch include:
  - Improper installation leading to pouch failure.
  - Inadequate access to the tourniquet during emergencies.
- **Avoiding Hazards:**
  - Ensure the pouch is securely attached to your gear.
  - Practice extracting the tourniquet from the pouch in a safe environment to familiarize yourself with the process.
  - Do not overload the pouch with additional items that may hinder its function.

## Instructions for Installation and Usage

### • Installation:

- Choose a suitable location on your gear for the pouch. It can be installed both horizontally and vertically.
- Use the provided mounting straps or clips to secure the pouch firmly.
- Ensure that the pouch is easily accessible for quick extraction of the tourniquet.

### • Usage:

- To extract the tourniquet, pull firmly on the designated handle or pull tab.
- Ensure that the tourniquet is properly maintained and ready for use at all times.
- After use, store the tourniquet back in the pouch to keep it protected.

## Disposal Instructions

- Dispose of the TQ Pouch in accordance with local regulations for textile waste.
- Do not incinerate the pouch as it may release harmful substances.
- If the pouch is damaged beyond repair, ensure it is disposed of in a manner that prevents accidental use.
