TRIRING 1" Black Safety Instruction Guide

Introduction

Thank you for choosing the TRIRING 1" Black by BLACKFOLIUM. This innovative hardware is designed to provide a lateral anchoring point for attaching hooks and carabiners. It is compatible with any 2.5 cm strap and allows for a quick transition between "Two points/One point." To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the TRIRING is used only as intended.
- Always inspect the TRIRING before use to check for any signs of damage or wear.
- Do not exceed the weight limit specified by the manufacturer.
- Keep the TRIRING out of reach of children to prevent accidental use or injury.
- If you notice any defects or malfunctions, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- Always ensure that the TRIRING is securely attached to the strap before use.
- Avoid using the TRIRING in extreme weather conditions that may affect its performance.
- Do not use the TRIRING in applications that require life safety, such as climbing or rescue operations, unless explicitly stated by the manufacturer.
- Regularly check the integrity of the strap and the TRIRING to ensure safe operation.
- Be cautious of sharp edges or surfaces that may come into contact with the TRIRING during use.

Instructions for Installation and Usage

1. Installation:

- Select a suitable strap that is 2.5 cm wide.
- Thread the strap through the TRIRING ensuring it is positioned correctly.
- Securely fasten the strap to prevent slippage.

2. Usage:

- Attach hooks or carabiners to the TRIRING as needed.
- Ensure that any load applied to the TRIRING does not exceed the recommended weight limit.
- Always doublecheck that all connections are secure before applying weight.

Disposal Instructions

- Dispose of the TRIRING in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the TRIRING in household waste if it is damaged or defective.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding the safety or use of the TRIRING, please contact the manufacturer directly. Ensure that you have the product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TRIRING 1" Black. Thank you for your attention to safety.
