Introduction

Thank you for choosing the MARS G2 Sling MultiCam®. This guide provides important safety instructions to ensure safe use and optimal performance of your product. Please read this document carefully and follow all guidelines to enhance your experience while using the sling.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose.
- Regularly inspect the sling for wear and tear before each use.
- Keep the sling away from fire, heat sources, and sharp objects.
- Do not modify the sling in any way, as this may compromise safety.
- Store the sling in a cool, dry place when not in use.
- Follow all local laws and regulations regarding the use of slings and firearms.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction when using the sling.
- Do not use the sling while under the influence of alcohol or drugs.
- Ensure that the sling is securely fastened to both the firearm and the user before use.
- Use caution when adjusting the sling to avoid pinching or trapping body parts.

Instructions for Installation and Usage

1. Installation:

- Identify the attachment points on your firearm.
- Attach the sling clips to the designated points securely.
- Adjust the sling length to fit your body comfortably.
- Ensure that all attachments are secure before use.

2. Usage:

- To use the sling, place it over your shoulder or across your body as per your preference.
- Adjust the sling to ensure it provides adequate support without restricting movement.
- When transitioning between positions, ensure that the sling remains secure and does not interfere with your actions.

Disposal Instructions

- Dispose of the sling in accordance with local waste disposal regulations.
- Do not burn the sling, as it may release harmful substances.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
