# SLING Keeper Coyote Safety Instruction Guide

## Introduction

Thank you for choosing the SLING Keeper Coyote. This product is designed to securely store your weapon's transport strap in the most compact way possible, ensuring safe handling and eliminating potential risks associated with sling entanglement. Please read this safety instruction guide carefully to ensure the safe and effective use of your SLING Keeper.

## General Safety Guidelines

- Ensure that the SLING Keeper is installed correctly to avoid any risks of detachment during use.
- Regularly inspect the SLING Keeper for any signs of wear or damage. Replace if necessary.
- Keep the SLING Keeper out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use and transportation of firearms.

## Specific Safety Precautions for Use

- Do not exceed the installation limits of the SLING Keeper; it is designed for handguards and stocks with a circumference of 15 cm to 23 cm.
- Ensure that the SLING Keeper is compatible with your firearm model before installation.
- Avoid using the SLING Keeper in wet or muddy conditions, as this may affect its grip and functionality.
- Always check the SLING Keeper's stability before using your firearm.

## Instructions for Installation and Usage

1. **Identify Compatibility:** Ensure that your firearm's handguard or stock falls within the circumference range of 15 cm to 23 cm.
2. **Prepare the Installation Area:** Clean the area where the SLING Keeper will be installed to ensure a secure fit.
3. **Installation Steps:**
  - Position the SLING Keeper on the desired handguard or stock.
  - Adjust the SLING Keeper to fit securely within the circumference range.
  - Tighten any necessary fastenings to ensure stability.
4. **Usage:**
  - When using the SLING Keeper, ensure that the transport strap is properly secured and free from any obstructions.
  - Always handle your firearm with care and ensure that the SLING Keeper is functioning as intended before use.

## Disposal Instructions

- Dispose of the SLING Keeper responsibly. Follow local regulations for the disposal of plastic and other materials.
- If the SLING Keeper is damaged or no longer needed, consider recycling where possible.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SLING Keeper, please consult the manufacturer's contact information provided with your product packaging.

## Conclusion

The SLING Keeper Coyote is a reliable accessory designed to enhance your firearm's safety and usability. By following these safety guidelines and instructions, you can ensure a secure and effective experience with your product. Always prioritize safety and stay informed about best practices for firearm handling.
