# SLING Keeper MultiCam® Safety Instruction Guide

## Introduction

Thank you for choosing the SLING Keeper MultiCam®. This product is designed to securely store your weapon's transport strap while ensuring safe handling and minimizing risks. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Ensure that the SLING Keeper is installed correctly before use to avoid accidents.
- Regularly inspect the SLING Keeper for wear and tear. Replace it if any damage is detected.
- Keep the SLING Keeper out of reach of children and vulnerable individuals to prevent misuse.
- Always handle your weapon safely and responsibly, following all applicable laws and regulations.
- Be aware of your surroundings while using the SLING Keeper to avoid potential hazards.

## Specific Safety Precautions for Use

- Do not exceed the recommended circumference range (15 cm to 23 cm) for installation.
- Ensure that the SLING Keeper is securely fastened to the forearm or stock of your weapon before use.
- Avoid using the SLING Keeper with incompatible weapon models or accessories that may lead to instability.
- Do not modify the SLING Keeper in any way, as alterations may compromise its safety and effectiveness.
- If the SLING Keeper shows signs of damage, do not use it and contact the manufacturer for guidance.

## Instructions for Installation and Usage

### 1. Installation:

- Measure the circumference of the forearm or stock where the SLING Keeper will be installed. Ensure it falls within the range of 15 cm to 23 cm.
- Align the SLING Keeper with the forearm or stock, ensuring it is positioned securely.
- Fasten the SLING Keeper according to the manufacturer's instructions, ensuring it is tight but not overly constrictive.

### 2. Usage:

- After installation, check that the SLING Keeper holds the transport strap securely.
- When using the weapon, ensure that the strap is free from obstructions to prevent entanglement.
- Regularly check the SLING Keeper during use to ensure it remains secure and functional.

## Disposal Instructions

- Dispose of the SLING Keeper responsibly. Follow local regulations for the disposal of nonfood products.
- If the SLING Keeper is damaged or no longer needed, consider recycling materials where applicable.
- Do not dispose of the SLING Keeper in regular waste if it contains hazardous materials.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the SLING Keeper MultiCam®, please contact the manufacturer directly.

Thank you for ensuring your safety and the safety of others by following these guidelines. Enjoy using your SLING Keeper responsibly!
