SLING Keeper Ranger Green Safety Instructions

Introduction

The SLING Keeper is designed to securely store the transport strap of your firearm in the most compact manner possible. It ensures safe handling of the weapon by eliminating potential risks of sling entanglement. This guide provides important safety instructions to ensure the safe use of the SLING Keeper.

General Safety Guidelines

- Always ensure that the weapon is unloaded before installing or adjusting the SLING Keeper.
- Keep the SLING Keeper out of reach of children and unauthorized users.
- Inspect the SLING Keeper regularly for any signs of wear or damage.
- Do not use the SLING Keeper if it shows any signs of damage or if it does not fit your firearm properly.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the SLING Keeper is installed on compatible handguards and stocks, with a circumference ranging from 15 cm to 23 cm.
- Do not exceed the recommended measurements for the specific handguards and stocks listed below:
 - AR15 M&P RAIL: 19.5 cm

- Avoid using the SLING Keeper in extreme conditions that may affect its performance, such as high temperatures or exposure to moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather the necessary tools for installation if required.

2. Installation:

- Identify the handguard or stock on which the SLING Keeper will be installed.
- Measure the circumference of the handguard or stock to ensure compatibility.
- Slide the SLING Keeper onto the handguard or stock until it is secure.
- Adjust the position as needed to ensure optimal use.

3. Usage:

- When using the SLING Keeper, ensure that the transport strap is properly stowed to avoid entanglement.
- Regularly check the SLING Keeper during use to ensure it remains secure and does not interfere with the operation of the firearm.

Disposal Instructions

- Dispose of the SLING Keeper in accordance with local regulations for nonfood product waste.
- Do not dispose of the SLING Keeper in regular household waste if it is damaged or no longer functional.
- Recycle components where applicable, following local recycling guidelines.
