# UTOPIA Sling Ranger Green Safety Instructions

## Introduction

Thank you for choosing the UTOPIA Sling in Ranger Green. This product is designed to provide a lowprofile carrying option while ensuring comfort. Please read this safety instruction guide carefully to maximize your safety and the performance of your sling.

## General Safety Guidelines

- Ensure the sling is used only for its intended purpose, which is to support lightweight firearms such as SMG and PDW.
- Inspect the sling regularly for any signs of wear, damage, or malfunction before each use.
- Keep the sling away from children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for the sling.
- Avoid using the sling in extreme weather conditions that may compromise its integrity.
- Ensure that the sling is properly secured to both the firearm and the user before use.
- Do not modify the sling in any way, as this may affect its performance and safety.
- Always be aware of your surroundings when using the sling, especially in crowded or confined spaces.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the attachment points on your firearm for the sling.
- Attach the sling to the designated points securely, ensuring that it is fastened correctly.
- Adjust the length of the sling to fit your body comfortably, allowing for ease of movement.

### 2. Usage:

- Before using the sling, ensure that it is properly adjusted to prevent slippage during use.
- When carrying a firearm with the sling, maintain a firm grip on the firearm at all times.
- In the event of a malfunction or if the sling appears damaged, cease use immediately and inspect the product.

## Disposal Instructions

- Dispose of the sling responsibly by following local regulations for textile and plastic waste.
- Do not incinerate the sling, as it may release harmful substances when burned.
