# ISKIT 4" Green | Black Safety Instruction Guide

## Introduction

Thank you for choosing the ISKIT 4" Green | Black. This individual kit is designed to be lightweight and compact, making it easy to carry various signaling tools in one practical package. It is especially suited for operational needs, including rescue, survival, and outdoor activities. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the ISKIT for any visible damage before use.
- Ensure that all components of the kit are present and functioning properly.
- Use the ISKIT only for its intended purpose; misuse may lead to accidents or injuries.
- Keep the ISKIT out of reach of children to prevent accidental use or injury.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When using signaling tools, ensure you are in a safe location away from hazards.
- Follow the manufacturer's instructions for each signaling tool to prevent misuse.
- Avoid using the ISKIT in adverse weather conditions that could affect visibility or safety.
- Be aware of your surroundings when using signaling devices to avoid accidents.
- If the product is damaged, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Unpacking the ISKIT

- Carefully remove the ISKIT from its packaging.
- Check all components against the product list to ensure nothing is missing.

### 2. Using Signaling Tools

- Follow the specific instructions for each signaling tool included in the kit.
- For example, if using a whistle, ensure it is free of obstructions and test it before use.

### 3. Storing the ISKIT

- Keep the ISKIT in a dry, cool place when not in use.
- Store it in a location that is easily accessible in case of emergencies.

### 4. Regular Maintenance

- Inspect the kit regularly for wear and tear.
- Replace any damaged or expired components immediately.

## Disposal Instructions

- Dispose of the ISKIT and its components in accordance with local regulations.
- Do not dispose of signaling tools in regular household waste; check for recycling options.
- If you are unsure how to dispose of a specific item, contact local waste management services for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the ISKIT 4" Green | Black, please refer to the manufacturer's support resources.

Thank you for prioritizing safety and for choosing the ISKIT for your signaling needs.
