# ISKIT 4" Green | Coyote Safety Instructions

## Introduction

Thank you for choosing the ISKIT 4" Green | Coyote. This individual kit is designed to be lightweight and compact, making it ideal for carrying various signaling tools in a single, practical package. It is specifically developed for operational needs and is perfectly suited for rescue, survival, and outdoor activities. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the kit out of reach of children to prevent misuse or accidents.
- Regularly inspect the kit for any signs of damage or wear.
- Do not use the kit if any components are missing or damaged.
- Store the kit in a cool, dry place away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always read and follow the instructions provided with each signaling tool.
- Use signaling devices only in emergency situations as intended.
- Do not point signaling devices at people or animals.
- Ensure that signaling devices are securely fastened and cannot accidentally activate.
- Be aware of your surroundings when using signaling tools to avoid causing unintended alarms or distractions.

## Instructions for Installation and Usage

### 1. Unpacking the Kit

- Carefully remove the ISKIT from its packaging.
- Verify that all components are present and undamaged.

### 2. Using Signaling Tools

- Follow the specific instructions for each signaling tool included in the kit.
- Ensure that you understand how to operate each tool before use.

### 3. Maintenance

- Regularly check the condition of the signaling tools.
- Clean tools as necessary according to the manufacturer's guidelines.

### 4. Emergency Use

- In an emergency, use the signaling tools as instructed to alert others or to seek help.
- Always prioritize your safety and the safety of others when using signaling devices.

## Disposal Instructions

- Dispose of the ISKIT and its components in accordance with local regulations.

- Do not dispose of signaling devices in regular household waste if they contain batteries or other hazardous materials.
- Check for local recycling programs that accept emergency signaling devices.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the ISKIT 4" Green | Coyote, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using your ISKIT responsibly and safely!
