Safety Instruction Guide for SPECIAL PIE Bluetooth Shot Timer for LED Display

Introduction

Thank you for purchasing the SPECIAL PIE Bluetooth Shot Timer for LED Display. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Keep the device out of reach of children and vulnerable individuals.
- Regularly inspect the device for any signs of damage. Do not use if damaged.
- Do not expose the device to extreme temperatures, moisture, or direct sunlight.
- Ensure that the device is charged using only the provided USBcharging cable.
- Be cautious while using the Bluetooth function to avoid unauthorized access to your device.

Specific Safety Precautions for Use

- **Electrical Safety**:

    - Do not attempt to disassemble or modify the device.
    - Use only the specified charging cable and power source to avoid electrical hazards.

- **Bluetooth Connectivity**:

    - Ensure Bluetooth is turned off when not in use to prevent unauthorized connections.
    - Regularly update your smartphone applications to maintain security.

- **Water Resistance**:

    - While the device is IP4 waterproof, avoid submerging it in water.
    - Wipe the device dry after exposure to moisture.

- **User Interface**:

    - Familiarize yourself with the user interface before operation to avoid accidental misuse.

- **Volume Control**:

    - Adjust the volume to a comfortable level to prevent hearing damage.

Instructions for Installation and Usage

1. **Charging the Device**:

    - Connect the provided USBcharging cable to the device and a compatible power source.
    - Allow the device to charge fully before first use.

2. **Connecting via Bluetooth**:

    - Turn on Bluetooth on your smartphone.

- Power on the Shot Timer and search for available devices on your smartphone.
- Select the Shot Timer from the list of devices to pair.

3. **Using the Shot Timer**:

   - Familiarize yourself with the illuminated buttons for easy access.
   - Choose the desired function (Shot Timer, Stopwatch, Countdown) using the user interface.
   - Follow onscreen prompts to set up your training session.

4. **LED Display Integration**:

   - Ensure the Shot Timer is connected to the Special Pie LED Display as per the user manual for optimal performance.

5. **Power Saving Mode**:

   - Activate the powersaving mode when the device is not in use to extend battery life.

Disposal Instructions

- Dispose of the device and its components in accordance with local regulations.
- Do not dispose of the device with household waste.
- Follow your local electronic waste disposal guidelines to minimize environmental impact.

Contact Information for Further Support

For any inquiries or support, please refer to the contact details provided in the product packaging or visit the manufacturer's website.

Conclusion

We hope you enjoy using the SPECIAL PIE Bluetooth Shot Timer for LED Display. By following these safety instructions, you can ensure a safe and effective experience with your device. Stay safe and happy training!
