

# CKYE-POD Gen2 Bipods - MDT CKYE-POD Gen2 Bipod, RRS BTC Mount - Double Pull Legs

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

If you're a hunter or a match shooter looking for a game-changing piece of gear, look no further than the MDT Bipod. Quality craftsmanship and fast, simple, one-handed adjustments make this bipod the ultimate platform for stability and versatility.

The MDT CKYE-POD Gen2 was developed for the competitive shooter with a focus on strength, single handed operation and versatile configurations.

This bipod is a true work of art, featuring 3 locking positions from front to back - stowed, angled and down.

MDT CKYE-POD Gen2 is in a league of its own with quick single-handed adjustable height, allowing you to achieve from 4.5" to 15.5" (standard leg length model), paired with 170 degrees of cant, 360 degrees of pan capability (sling swivel stud version does not pan), and an integrated barricade stop. Mix and match the independent leg heights and angles to create the perfect shooting position, every time.

The MDT CKYE-POD Gen2 comes standard with it's own spiked foot/claw for ultimate traction on any surface.

However, if you prefer rubber feet, the MDT CKYE-POD Gen2 Standard and PRS Short legs will accept any Atlas style feet.

# MDT CKYEPOD Gen2 Bipod Safety Instruction Guide

## Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of the bipod. Please read this manual carefully before using the product.

## General Safety Guidelines

- **Product Safety:** The MDT CKYEPOD Gen2 Bipod is designed for safe use. Please ensure that you follow all instructions to avoid any risks associated with its use.
- **Enhanced Recalls:** In the event of a safety recall, you will be informed through standardized notices. Ensure you stay updated on any recalls related to this product.
- **Online Shopping Protections:** If purchased online, this product meets the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please refer to the designated contact point in your country.
- **Rapid Alerts:** Stay informed about any safety updates through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the bipod's weight capacity. Ensure your firearm is securely attached.
- **Stability Checks:** Always check that the bipod is stable before taking a shot. Adjust the legs as necessary for a secure footing.
- **Keep Away from Children:** This product is not a toy. Store it out of reach of children to prevent accidents.
- **Use on Suitable Terrain:** Avoid using the bipod on unstable or slippery surfaces to prevent falls or accidents.
- **Regular Inspections:** Check the bipod for any signs of wear or damage before each use. Do not use if damaged.
- **Proper Handling:** Always handle the bipod with care. Avoid dropping or mishandling to maintain its integrity.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the bipod from its packaging. Ensure all components are present.
2. **Attaching the Bipod:**
  - Locate the mounting point on your firearm.
  - Attach the bipod using the quick release push button Picatinny mount or the quick adjust ARCA/RRS dovetail mount as applicable.
  - Ensure that the bipod is securely attached before proceeding.
3. **Adjusting the Legs:**
  - To adjust the height, pull the leg adjustment lever and extend or retract the legs as needed.
  - Lock the legs in place by releasing the lever once the desired height is reached.
4. **Setting the Angle:**
  - Adjust the angle of the bipod legs independently to achieve the best shooting position.
  - Ensure that the legs are locked in position before use.
5. **Using the Cant and Pan Features:**
  - Utilize the 170 degrees of cant and 360 degrees of pan capability for optimal positioning.

- Adjust the tension knobs for smooth operation.
6. **Using the Barricade Stop:**
- The builtin barricade stop can be used to stabilize the bipod against obstacles. Ensure it is properly engaged before use.
7. **PostUse Care:**
- After use, clean the bipod to remove dirt or debris.
  - Store the bipod in a safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the bipod and its components in accordance with local regulations.
- **Recycling:** If possible, recycle materials such as aluminum and plastic. Check with local waste management for appropriate disposal methods.

## Contact Information for Further Support

For any inquiries or further assistance regarding the MDT CKYEPOD Gen2 Bipod, please refer to the designated contact point in your country. Ensure you have the product details available for a more efficient response.

Thank you for following these safety instructions. Enjoy your shooting experience with the MDT CKYEPOD Gen2 Bipod!
