

COMP MUZZLE BRAKE - 4 PORT - GRN - MDT - Comp Muzzle Brake - 4 Port - 5.56 + 6mm - 5/8-24 - GRN

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The MDT [COMP BRAKE] was designed from the ground up by our sponsored shooter teams requirements, high tech mach flow gas simulations and countless hours of testing. This muzzle brake is the most effective brake currently available that also provides the least concussion to the shooter and spotter, by redirecting gas flow, allowing you to watch bullet flight and monitor hits and misses on target.

Features

- 4 ports, strategically cut at varying angles to maximize recoil reduction as well as minimizing shooter concussion
- Forward facing "disruptor" ports to better deflect gas away from the shooter
- Tuneable upwards vented ports that can be open or closed with a slider mechanism for straighter rifle tracking
- Serrated baffle tips to for improved gas flow and lower sound generation
- Caliber specific bores for calibers ranging from .224-.338 cal
- Multiple thread sizes available for each caliber configuration
- Optimized for commonly available PRS calibers such as the 6BR, 6mm Creedmoor and 6x47 Lapua (as well as their variants)
- Recessed target crown to reduce exit muzzle disturbance and protect secondary crown from damage
- Purpose designed, self timing lock nut that reduces run-out, increases holding strength and is designed for use with MTU contour muzzles

Safety Instruction Guide for MDT Comp Muzzle Brake 4 Port GRN

Introduction

Thank you for purchasing the MDT Comp Muzzle Brake 4 Port GRN. This product has been designed to enhance your shooting experience by reducing recoil and minimizing shooter concussion. To ensure safe and effective use, please read and follow the safety guidelines outlined in this manual.

General Safety Guidelines

- Always ensure that the muzzle brake is properly installed before use.
- Use only with firearms that are compatible with the specified caliber.
- Keep the muzzle brake clean and free of obstructions.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that bystanders are at a safe distance when using firearms equipped with the muzzle brake.
- Be aware of your surroundings and ensure a clear shooting range before firing.
- Regularly check for any signs of wear or damage to the muzzle brake.

Specific Safety Precautions for Use

- **Installation:** Ensure that the muzzle brake is securely attached to the firearm's muzzle. Follow the installation instructions carefully.
- **Shooting Position:** Maintain a stable shooting position to avoid accidents.
- **Gas Flow Direction:** Be mindful of the gas flow direction to prevent injury to yourself or others nearby.
- **Age Restrictions:** This product is intended for use by adults only. Ensure that minors are supervised by a responsible adult when using firearms equipped with the muzzle brake.
- **Emergency Situations:** If you notice any unusual sounds or performance issues while shooting, stop using the firearm immediately and inspect the muzzle brake.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning the installation.
- Clean the muzzle threads to remove any debris.
- Align the muzzle brake with the threads of the firearm.
- Handtighten the muzzle brake onto the firearm. Use a wrench if necessary, but do not overtighten.
- Check that the muzzle brake is secure before using the firearm.

2. Usage:

- Before shooting, check that the muzzle brake is correctly installed.
- Position yourself securely and ensure that your shooting area is clear.
- Fire the firearm and observe the performance of the muzzle brake.
- Monitor the gas flow and ensure it is directed away from you and any bystanders.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- If the muzzle brake is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please consult the manufacturer's website or contact your local distributor. Always ensure that you have the latest information regarding product safety and recalls.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you are our top priority. Enjoy your shooting experience with the MDT Comp Muzzle Brake 4 Port GRN.
