ARMANOV Live Primer Catcher for Dillon XL650

Safety Instructions

Introduction

Thank you for choosing the ARMANOV Live Primer Catcher for your Dillon XL650/XL750 Reloading Press. This product is designed to enhance your reloading experience by ensuring a clean and efficient workspace. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not attempt to modify or repair the product. Contact the manufacturer for any issues.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Live Primer Catcher is securely attached to the Dillon XL650/XL750 Reloading Press before use.
- Do not overload the reloading press beyond its specified limits.
- Use only compatible primers as specified in the Dillon XL650/XL750 manual.
- Avoid placing your hands near moving parts during operation to prevent injury.
- If you notice any unusual sounds or malfunctions while using the product, stop using it immediately and inspect for issues.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace:

- Ensure that your reloading area is clean and free of any obstructions.
- Gather all necessary tools and components for installation.

2. Attach the Live Primer Catcher:

- Locate the designated area on your Dillon XL650/XL750 for the Live Primer Catcher.
- Align the catcher with the attachment points on the press.
- Firmly secure the catcher in place, ensuring it is stable and will not move during operation.

Usage

1. Loading Primers:

- Carefully load primers into the reloading press as per the Dillon XL650/XL750 operating instructions.
- Ensure that the Live Primer Catcher is positioned to collect any spent primers.

2. Operating the Press:

- Operate the Dillon XL650/XL750 as instructed in the manual.
- Monitor the Live Primer Catcher during operation to ensure it is functioning correctly.

3. PostOperation:

- After reloading, check the Live Primer Catcher for any accumulated spent primers.
- Dispose of spent primers according to local regulations.

Disposal Instructions

- When the Live Primer Catcher reaches the end of its life or is no longer needed, dispose of it responsibly.
- Check local regulations for proper disposal methods for plastic products.
- If applicable, recycle the product according to local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure that you have your product details ready for a prompt response.

Thank you for your attention to these safety instructions, and happy reloading!
