

Rem700 Special - Right - No bolt release - Straight Flat (Stainless)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

TRIGGERTECH REM700 SPECIAL RIGHT NO BOLT RELEASE TRIGGER Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGERTECH Rem700 Special Right No Bolt Release Trigger. This guide provides essential safety instructions to ensure the safe use of your trigger. Please read this manual carefully before installation and use to ensure proper handling and to minimize risks.

General Safety Guidelines

- Ensure the product is used only in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before each use.
- Store the trigger in a safe and secure location, out of reach of children and unauthorized users.
- Always treat the trigger as if it is loaded, even when you believe it is not.
- Use appropriate personal protective equipment (PPE) when handling firearms and accessories.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not modify the trigger in any way; alterations may compromise safety and performance.
- Ensure the firearm is pointed in a safe direction at all times when handling the trigger.
- Always verify that the firearm is unloaded before installing or adjusting the trigger.
- Keep your fingers off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Use the trigger only with compatible Remington 700 model rifles as specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm's user manual.
- Carefully install the TRIGGERTECH Rem700 Special trigger in accordance with the manufacturer's instructions.
- Ensure all components are securely attached and functioning properly before use.

2. Usage:

- Familiarize yourself with the trigger's features and operation before use.
- Practice safe firearm handling at all times.
- Adjust the trigger's settings only as per the manufacturer's guidelines.
- Maintain a proper shooting stance and grip when using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact your local waste management authorities for proper disposal methods for firearms accessories.

Contact Information for Further Support

For safety inquiries, product support, or additional information, please refer to the manufacturer's contact details provided with the product. Ensure to have your product details ready when seeking assistance.

By following these safety instructions, you can ensure a safer experience with your TRIGGERTECH Rem700 Special trigger. Thank you for your attention to safety.
