

Rem700 Special - Left - Bolt release - Pro Curved (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Safety Instruction Guide for TRIGGERTECH REM700 SPECIAL LEFT BOLT RELEASE TRIGGER

Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL LEFT BOLT RELEASE TRIGGER. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use. Please follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read this manual before using the trigger.
- **Check Compatibility:** Ensure that the trigger is compatible with your Remington 700 model rifle.
- **Inspect Before Use:** Before each use, inspect the trigger for any signs of damage or wear.
- **Use Proper Tools:** Use appropriate tools for installation and adjustments to avoid damaging the trigger.
- **Avoid Modifications:** Do not modify the trigger in any way that could compromise safety or performance.
- **Store Safely:** Store the trigger in a safe, dry place away from children and unauthorized users.
- **Handle with Care:** Always handle the trigger with care to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the TRIGGERTECH REM700 SPECIAL trigger by following these steps:
 - Align the trigger with the trigger housing.
 - Secure the trigger using the appropriate screws and tools.
 - Ensure all components are tight and secure.
- Conduct a function check to ensure proper operation.

2. Usage:

- Ensure the firearm is always pointed in a safe direction when using the trigger.
- Maintain a firm grip on the firearm while using the trigger.
- Be aware of your surroundings and ensure the area is clear of any obstacles or bystanders.
- Practice proper shooting techniques to maintain control and accuracy.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the trigger reaches the end of its service life, dispose of it responsibly. Check with local authorities for appropriate disposal methods for metal and electronic components.

Contact Information for Further Support

For questions or concerns regarding the TRIGGERTECH REM700 SPECIAL LEFT BOLT RELEASE TRIGGER, please refer to the support information provided by your retailer or the manufacturer.

Thank you for following these safety instructions. Your safety and the safety of others is our priority. Enjoy your shooting experience with the TRIGGERTECH REM700 SPECIAL trigger.
