

REM700 MODEL 7 SPECIAL - RIGHT - - TRIGGERTECH Rem Model 7 Special - Right - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black - PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Safety Instruction Guide for TRIGGERTECH REM700 MODEL 7 SPECIAL RIGHT

Introduction

Thank you for choosing the TRIGGERTECH REM700 MODEL 7 SPECIAL RIGHT. This guide provides important safety instructions to ensure the safe use of your trigger. Please read this guide carefully before installation and use. Following these guidelines will help you avoid potential hazards and ensure a safe experience.

General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or experienced individual.
- Always treat firearms with respect and assume they are loaded.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear and damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and use.
- Store the trigger in a safe and secure location when not in use.

Specific Safety Precautions for Use

- Use the trigger only with compatible Remington Model 7 firearms.
- Do not modify the trigger in any way. Unauthorized modifications may result in malfunction.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Avoid using the trigger in wet or extreme conditions unless it is specifically designed for such use.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunction, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger following the manufacturer's instructions.
- Install the TRIGGERTECH REM700 MODEL 7 SPECIAL RIGHT trigger by carefully following the installation instructions provided with the product.
- Ensure all screws and components are securely fastened before use.

2. Usage:

- Engage the safety mechanism of the firearm before handling.
- When ready to shoot, ensure a clear line of sight and a safe backdrop.
- Keep your finger off the trigger until you are ready to shoot.
- After firing, keep the firearm pointed in a safe direction and assess the situation.
- Store the firearm and trigger safely when not in use.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIGGERTECH REM700 MODEL 7 SPECIAL RIGHT, please refer to the manufacturer's website or contact your local retailer. It is essential to have a reliable source for support and information on product safety.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 MODEL 7 SPECIAL RIGHT trigger. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety measures.
