

# CKYE-POD Gen2 Bipods - MDT Accessories - Lightweight CkyePod - Sling Swivel - Standard Legs - BLK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The MDT CKYE-POD | LIGHTWEIGHT was developed for the competitive shooter with a focus on strength, single handed operation and versatile configurations. This bipod is a true work of art, featuring 3 locking positions from front to back - stowed, angled and down. MDT CKYE-POD | LIGHTWEIGHT is in a league of its own with quick single-handed adjustable height, allowing you to achieve from 9" to 15", paired with 170 degrees of cant, 360 degrees of pan capability (sling swivel stud version does not pan). Mix and match the independent leg heights and angles to create the perfect shooting position, every time. The MDT CKYE-POD | LIGHTWEIGHT comes standard with it's own spiked foot/claw for ultimate traction on any surface. However, if you prefer rubber feet, the MDT CKYE-POD | LIGHTWEIGHT will accept any Atlas style feet.

# MDT CKYEPOD Gen2 Bipods Safety Instructions

## Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipods. This product is designed for competitive shooters, providing strength, versatility, and ease of use. To ensure your safety and the longevity of your bipod, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This bipod is designed for safe use in various environments. Ensure it is used only as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product by checking official sources.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on product safety.

## Specific Safety Precautions for Use

- **Proper Use:** Always use the bipod on stable surfaces to avoid accidents.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer to prevent damage or failure.
- **Inspection:** Regularly inspect the bipod for any signs of wear or damage before each use.
- **Locking Mechanisms:** Ensure all locking mechanisms are fully engaged before using the bipod.
- **Adjustments:** Make adjustments carefully to avoid pinching fingers or other body parts.
- **Environmental Conditions:** Avoid using the bipod in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the bipod from its packaging and check for any damage.
2. **Setting Up:**
  - Extend the legs to the desired height using the quick adjustment feature.
  - Ensure the legs are locked in place before use.
3. **Adjusting Position:**
  - Use the cant and pan capabilities to position the bipod as needed for your shooting stance.
  - Mix and match leg heights for optimal stability.
4. **Foot Options:**
  - For ultimate traction, use the included spiked foot/claw.
  - If preferred, replace with Atlas style rubber feet for different surfaces.
5. **Storing:** When not in use, store the bipod in a dry place to prevent corrosion and damage.

## Disposal Instructions

- **Recycling:** When the bipod reaches the end of its life, dispose of it in accordance with local regulations regarding metal and plastic recycling.
- **Environmentally Friendly Disposal:** Do not dispose of the bipod in regular household waste. Seek out recycling programs that accept sports equipment.

## **Contact Information for Further Support**

For any inquiries or support regarding the MDT CKYEPOD Gen2 Bipods, please refer to the manufacturer's website or your point of purchase for contact details.
