

Timbr Chassis - Frontier - REM 700 - SA - RH - CCL

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT Timbr Frontier has been developed to provide the look and feel of a traditional stock while incorporating the precision and repeatability of the modern V-Block bedding from a chassis. The buttstock and forend are made of Birch hardwood laminate giving every stock a unique wood grain and warm feel. They are then finished with a high-quality clearcoat and attached to the aluminum micro chassis and bottom metal.

This is a new generation of wood stocks with a fully tool-less adjustable Length of pull, cheek riser height and interchangeable rubber over-molded grips to fit you and your style of shooting. At just 4lb the Frontier allows you to use it for anything from hunting to target shooting with the ability to add accessories to the M-LOK forend and buttstock. The stock uses standard AICS pattern magazines and has an easy to manipulate ambidextrous magazine latch.

Timbr Chassis Frontier Safety Instruction Guide

Introduction

Thank you for choosing the MDT Timbr Chassis Frontier for your shooting needs. This guide is designed to ensure your safety and the proper use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully to understand how to safely handle and maintain your chassis.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the Timbr Chassis Frontier.
- Always treat the chassis as if it is loaded, even when you believe it is not.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Always use the chassis in a safe and controlled environment.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm and chassis use.

Specific Safety Precautions for Use

- **Handling:**
 - Always keep your finger off the trigger until you are ready to shoot.
 - Never point the chassis at anything you do not intend to shoot.
- **Storage:**
 - Store the chassis in a secure location when not in use.
 - Use a locking mechanism or safe to prevent unauthorized access.
- **Environment:**
 - Use the chassis only in designated shooting areas.
 - Be aware of your surroundings and ensure that there is a safe backstop.
- **Accessories:**
 - Use only compatible accessories with the Timbr Chassis Frontier.
 - Regularly check the condition of any accessories, such as grips and forends.

Instructions for Installation and Usage

- **Installation:**
 - Read all instructions carefully before installation.
 - Ensure that the chassis is compatible with your firearm model (Remington 700).
 - Follow these steps for installation:
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing stock from the firearm.
 3. Align the Timbr Chassis Frontier with the firearm's action.
 4. Securely attach the chassis using the provided hardware.
 5. Check that the chassis is firmly attached and does not wobble.
- **Usage:**

- Adjust the Length of pull and cheek riser height for comfort before shooting.
- Attach any desired rubber overmolded grips as per your shooting style.
- Load standard AICS pattern magazines and ensure they are securely seated.
- Use the ambidextrous magazine latch for easy operation.

Disposal Instructions

- Dispose of the Timbr Chassis Frontier in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Timbr Chassis Frontier, please refer to the appropriate EU-based contact point or local authorities.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Timbr Chassis Frontier. Always prioritize safety and responsible use to protect yourself and those around you. Thank you for your attention to these important matters.
