

# MEPRO MX3 MAGNIFIER - MX3F-X3 MAGNIFIER-PUSH BUTTON ADAPTER

[Optics & Mounting](#) > [Electronic Sights](#) > [Magnifiers](#)

The Mepro MX3-T/F is a 3x power magnifier that attaches to the Picatinny rail immediately behind the reflex sight. The Mepro MX3-T/F has an integrated mechanism that allows it to ride to the side when not needed.

Both models can be configured for the right side or left side ride when not in use and will not interfere with the weapons operating system. Simply flip it into position to engage for longer distance shots without having to re-zero your rifle.

The Mepro MX3-T/F is a compact and lightweight yet extremely durable magnifier. Elevation and windage dials allow for a precise FOV line of sight alignment. The wide FOV enables rapid target acquisition with both eyes open.

# MEPRO MX3 MAGNIFIER MX3FX3 MAGNIFIER

## SAFETY INSTRUCTION GUIDE

### Introduction

Thank you for choosing the Mepro MX3 Magnifier. This guide provides essential safety instructions and guidelines to ensure the safe use of your magnifier. Please read this document carefully before using the product.

### General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the magnifier out of reach of children and vulnerable individuals.
- Regularly inspect the magnifier for any signs of damage or wear.
- Do not attempt to modify or repair the magnifier yourself.
- Always follow the manufacturer's instructions for installation and usage.

### Specific Safety Precautions for Use

- **Eye Safety:** Always use the magnifier with proper eye protection if required.
- **Handling:** Handle the magnifier with care to avoid dropping or damaging it.
- **Environmental Conditions:** Do not use the magnifier in extreme temperatures or wet conditions unless specified.
- **Mounting:** Ensure the magnifier is securely mounted to the Picatinny rail to prevent it from becoming loose during use.
- **Target Awareness:** Always be aware of your surroundings and ensure a clear line of sight when using the magnifier.

### Instructions for Installation and Usage

#### 1. Installation:

- Locate the Picatinny rail on your firearm.
- Align the Mepro MX3 Magnifier with the rail.
- Securely tighten the mounting mechanism to ensure stability.
- Adjust the magnifier to the desired side (right or left) based on your preference.

#### 2. Usage:

- When ready to use, flip the magnifier into the engaged position.
- Look through the magnifier while keeping both eyes open for a wider field of view.
- Adjust the elevation and windage dials as needed for precise alignment.
- After use, flip the magnifier back to the side position to avoid obstruction.

### Disposal Instructions

- Dispose of the magnifier in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Check for local recycling programs for electronic devices.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Mepro MX3 Magnifier, please reach out to your local distributor or manufacturer. Ensure you have the model number and purchase details ready for efficient assistance.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using your Mepro MX3 Magnifier responsibly.
