

# MEPRO MX3 MAGNIFIER - MX3T-X3 MAGNIFIER-TACTICAL PULLBACK ADAPTER

[Optics & Mounting](#) > [Electronic Sights](#) > [Magnifiers](#)

The Mepro MX3-T/F is a 3x power magnifier that attaches to the Picatinny rail immediately behind the reflex sight. The Mepro MX3-T/F has an integrated mechanism that allows it to ride to the side when not needed.

Both models can be configured for the right side or left side ride when not in use and will not interfere with the weapons operating system. Simply flip it into position to engage for longer distance shots without having to re-zero your rifle.

The Mepro MX3-T/F is a compact and lightweight yet extremely durable magnifier. Elevation and windage dials allow for a precise FOV line of sight alignment. The wide FOV enables rapid target acquisition with both eyes open.

# MEPRO MX3 MAGNIFIER Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO MX3 MAGNIFIER. This guide provides important safety information and instructions to ensure the safe and effective use of your magnifier. Please read and follow these guidelines carefully to maximize your safety and performance.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MEPRO MX3 MAGNIFIER. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored and used away from minors.
- **EU Contact Point:** For safety inquiries, refer to the EU contact point associated with this product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Eye Strain:** Use the magnifier in welllit conditions to reduce eye strain.
- **Do Not Modify:** Do not alter or modify the magnifier in any way, as this may cause malfunctions or safety issues.
- **Secure Attachment:** Ensure the magnifier is securely attached to the Picatinny rail before use to prevent accidental detachment.
- **Check for Damage:** Inspect the magnifier for any signs of damage before each use. Do not use if damaged.
- **Use Appropriate Firearms:** Ensure compatibility with your firearm. Consult the manufacturer if unsure.
- **Proper Handling:** Handle the magnifier with care to avoid dropping or impacting it, which could lead to damage.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that your firearm is unloaded and safe to handle before installing the magnifier.
2. **Locate the Picatinny Rail:** Identify the Picatinny rail on your firearm where the magnifier will be mounted.
3. **Attach the Magnifier:**
  - Align the mounting bracket of the MEPRO MX3 MAGNIFIER with the chosen position on the Picatinny rail.
  - Slide the magnifier onto the rail until it clicks into place.
  - Secure the magnifier by tightening the mounting screws using the appropriate tool.
4. **Adjust for Side Ride:** If desired, configure the magnifier to ride on the right or left side as needed by following the manufacturer's instructions.

### Usage

1. **Engage the Magnifier:** When ready to use, flip the magnifier into position to engage for longer distance shots.
2. **Align the Sight:** Use the elevation and windage dials to align the line of sight for precise targeting.

3. **Target Acquisition:** Utilize the wide field of view (FOV) to acquire targets quickly with both eyes open.
4. **Disengage When Not in Use:** Flip the magnifier back to the side position when not in use to avoid interference with your weapon's operating system.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the MEPRO MX3 MAGNIFIER responsibly. Do not dispose of in regular household waste.
- **Follow Local Regulations:** Check local regulations for proper disposal methods of optical devices and electronic components.
- **Recycling:** If possible, recycle the magnifier according to local recycling programs.

## Contact Information for Further Support

For any questions or concerns regarding the MEPRO MX3 MAGNIFIER, please refer to the appropriate contact point provided by the manufacturer. Ensure you have your product information ready for assistance.

By following these guidelines, you can ensure the safe and effective use of your MEPRO MX3 MAGNIFIER. Thank you for your attention to safety!
