

# MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-IWI JERICHO 2 OR ENHANCED

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

# MEPRO microRDS Safety Instructions

## Introduction

Thank you for choosing the MEPRO microRDS RED DOT MICRO SIGHT + Backup sights microRDS KITIWI JERICHO 2 OR ENHANCED. This product is designed to enhance your shooting accuracy and experience. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure safe use of the microRDS by following these general safety guidelines:
  - Always treat the sight as if it is loaded.
  - Keep the sight and your firearm out of reach of children and unauthorized users.
  - Use the sight only on compatible firearms as specified in the product documentation.
  - Regularly inspect the sight for any damage or wear before use.
  - Only use the sight in accordance with the manufacturer's instructions.
  - Be aware of your surroundings and ensure that your shooting area is safe and secure.

## Specific Safety Precautions for Use

- To maximize safety while using the MEPRO microRDS, please observe the following precautions:
  - Always wear appropriate eye and ear protection while shooting.
  - Ensure that the sight is securely mounted before use.
  - Avoid using the sight in adverse weather conditions that may impair visibility or functionality.
  - Do not attempt to modify the sight or its mounting system.
  - If the sight becomes damaged or malfunctions, cease use immediately and contact a qualified professional for assistance.
  - Ensure the firearm is unloaded when installing or adjusting the sight.

## Instructions for Installation and Usage

- Follow these steps to install and use the MEPRO microRDS safely:

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing rear sight from the firearm's dovetail slot.
- Align the QD adaptor kit with the dovetail slot and press it into place until secure.
- Attach the microRDS sight to the adaptor, ensuring it is firmly locked in position.
- If desired, attach the Meprolight® TruDot™ selfilluminated sight as a backup.

### 2. Usage:

- Adjust the sight for your preferred settings before use.
- Practice target acquisition in a safe environment.
- Regularly check the sight's alignment and functionality during use.

## Disposal Instructions

- When disposing of the MEPRO microRDS, follow these guidelines:
  - Do not dispose of the sight in regular household waste.
  - Check local regulations for electronic waste disposal.
  - If the sight is no longer functional, consider returning it to the manufacturer for proper disposal.

## Contact Information for Further Support

- For any inquiries or concerns regarding the safety and use of the MEPRO microRDS, please contact your local distributor or the manufacturer directly. Ensure you have the product details available for efficient assistance.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEPRO microRDS. Always prioritize safety and responsible usage. Thank you for your attention to these important guidelines.
