[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET GLOCK 26 Safety Instructions

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for Glock 26 and 27. This product is designed to enhance your shooting accuracy under various lighting conditions. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you understand the safety features of your firearm and how to operate them safely.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and sights for any signs of wear or damage.
- Be aware of your surroundings and ensure that you have a clear target before shooting.
- In case of any malfunction, cease usage immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your firearm.
- Do not attempt to modify or alter the Tru Dot sights in any way.
- Ensure that the sights are securely mounted before use to prevent any accidents.
- Avoid using the firearm in adverse weather conditions that may affect visibility or handling.
- Be aware that tritium is a radioactive material; however, it is contained within the sight and poses no risk under normal use.

Instructions for Installation and Usage

• Installation:

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing front and rear sights from your Glock 26 or 27.
3. Align the Tru Dot sights with the mounting points on your firearm.
4. Securely fasten the sights using the appropriate tools, ensuring they are tight and stable.
5. Check alignment and make any necessary adjustments before use.

• Usage:

1. Familiarize yourself with the sight picture provided by the Tru Dot sights.
2. Practice aiming in various lighting conditions to understand the sight's capabilities.
3. Always perform a function check after installation to ensure proper operation.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not throw the product in regular household waste.
- If the product is damaged, contact local waste management for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product-related questions, please contact the manufacturer or your local distributor. Ensure that you have the product details ready for assistance.

Please remember to always prioritize safety and responsible usage when handling firearms and accessories. Your compliance with these safety instructions will help ensure a safe and enjoyable shooting experience.
