[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET GLOCK 26 Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Glock 26 or Glock 27. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. Please read this guide carefully before using the product.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat firearms as if they are loaded.
- Store your firearm and accessories in a secure location, away from children and unauthorized users.
- Always wear appropriate eye and ear protection when handling firearms.
- Ensure that your firearm is in good working condition before use.
- Be aware of your surroundings and ensure a safe backdrop when shooting.
- Follow all local laws and regulations regarding firearm usage.

Specific Safety Precautions for Use

When using the Tru Dot FIXED PISTOL SET, please observe the following precautions:

- Ensure that the sights are correctly installed before use.
- Do not attempt to modify or alter the sights beyond the manufacturer's specifications.
- Use only the recommended tritium dot colors for optimal visibility.
- Always check the sights for proper alignment and functionality before each use.
- Avoid using the firearm in conditions where visibility is severely limited without proper illumination.

Instructions for Installation and Usage

Follow these steps to install and use your Tru Dot FIXED PISTOL SET safely:

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from your Glock 26 or Glock 27.
- Align the Tru Dot sights with the mounting slots on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are firmly attached.
- Verify that the sights are correctly aligned before proceeding.

2. Usage:

- Familiarize yourself with the sight picture using the Tru Dot system.
- Practice aiming in various lighting conditions to understand how the sights perform.
- Regularly check the sights for any signs of wear or damage.

Disposal Instructions

When disposing of your Tru Dot FIXED PISTOL SET, please follow these guidelines:

- Do not dispose of the product in regular household waste.

- Consult local regulations for the proper disposal of firearm accessories and materials.
- If the sights are damaged or nonfunctional, consider contacting a professional for safe disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the Tru Dot FIXED PISTOL SET, please consult your retailer or the manufacturer directly. It is essential to have a reliable point of contact for safety inquiries.

Conclusion

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Tru Dot FIXED PISTOL SET. Always prioritize safety and compliance with local laws while using your firearm and accessories. Thank you for your attention to these guidelines.
