

# Tru Dot FIXED PISTOL SET BROWNING HI POWER MARK III G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET BROWNING HI POWER MARK III G/G Safety Instructions

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Browning Hi Power Mark III G/G. This product is designed to enhance your shooting experience with improved accuracy in various lighting conditions. To ensure your safety and the optimal use of this product, please read and follow the safety instructions carefully.

## General Safety Guidelines

- Ensure that the Tru Dot FIXED PISTOL SET is installed by a qualified gunsmith or experienced professional.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the firearm and its accessories in a secure location, away from children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Tru Dot sights only with compatible models of the Browning Hi Power Mark III.
- Ensure that the sights are properly aligned before use.
- Do not attempt to modify the sights beyond the minor modifications specified in the installation instructions.
- Avoid using the sights in extreme weather conditions that may affect visibility.
- Use appropriate eye and ear protection while shooting.
- Be mindful of the tritium dot colors and ensure they are clearly visible during use.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your firearm.
3. **Mounting the Tru Dot Sights:**
  - Align the rear sight with the mounting groove and press it into place.
  - Secure the rear sight with the provided screws, ensuring it is tight but not overtorqued.
  - Repeat the process for the front sight, ensuring proper alignment.
4. **Final Check:** Confirm that both sights are securely mounted and aligned correctly.

### Usage

- When aiming, focus on the three solid dots provided by the Tru Dot system for instinctive aiming.
- Practice in both daylight and lowlight conditions to become familiar with the sighting system.
- Regularly check the sights for any signs of damage or misalignment.

## Disposal Instructions

- Dispose of the Tru Dot FIXED PISTOL SET in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.

- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the Tru Dot FIXED PISTOL SET, please contact the manufacturer or your local distributor. Ensure that you have your product information and any relevant details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the Tru Dot FIXED PISTOL SET!
