

Tru Dot FIXED PISTOL SET RUGER SR9,SR9C,SR40,SR40C G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET RUGER SR9, SR9C, SR40, SR40C Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Ruger SR9, SR9C, SR40, and SR40C. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. Please read this guide carefully before use to understand the safety precautions and proper handling of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot night sights in compliance with EU regulations. Always follow the instructions provided.
- **Vulnerable Groups:** Special care should be taken when handling firearms and related accessories around children and inexperienced users.
- **Online Shopping Protections:** If purchased online, ensure the seller meets safety standards and provides clear product information.
- **Reporting Unsafe Products:** If you encounter any safety issues with the product, report them to the relevant authorities.
- **Recall Updates:** Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Only install the night sights on compatible Ruger models (SR9, SR9C, SR40, SR40C). Improper installation may lead to malfunction or injury.
- **Handling:** Always treat your firearm as if it is loaded. Keep the firearm pointed in a safe direction at all times.
- **Sighting:** Familiarize yourself with the sighting system before use. Practice aiming in a safe environment.
- **LowLight Conditions:** While the Tru Dot sights are designed for lowlight conditions, ensure that you are aware of your surroundings at all times.
- **Regular Inspection:** Periodically inspect the sights for any signs of wear or damage. Replace if necessary.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing front and rear sights from your Ruger handgun.
- Align the Tru Dot sights with the mounting points on the firearm.
- Securely attach the sights, following any specific instructions provided in the product packaging.
- Make minor adjustments as needed to ensure proper alignment.

2. Usage:

- Familiarize yourself with the aiming reference of three solid dots in both daylight and lowlight conditions.
- Practice using the sights in a controlled environment to enhance your aiming skills.
- For optimal performance, ensure the sights are clean and free from obstructions.

Disposal Instructions

- Dispose of the Tru Dot sights in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal options.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the product packaging for relevant contact information. It is crucial to ensure that you have access to assistance if needed.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation while using the Tru Dot Fixed Pistol Set. Enjoy enhanced aiming capabilities with your new night sights!
