[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET H&K Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET H&K. This guide provides essential safety instructions to ensure the safe and effective use of your night sights. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that you have a clear target.
- Regularly inspect your sights for damage or wear.
- Always follow local laws and regulations regarding firearms.

## Specific Safety Precautions for Use

- **Installation Safety:** Only install the Tru Dot sights on compatible H&K USP FULL SIZE handguns. Ensure that the firearm is unloaded before installation.
- **Visibility:** The TruDot sights are designed for lowlight conditions. Do not rely solely on them in bright daylight without confirming your target.
- **Child Safety:** Keep firearms and their components out of reach of children and unauthorized users.
- **Maintenance:** Regularly clean and inspect your sights to ensure optimal performance. Replace any damaged components immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for sight installation.

### 2. Installation:

- Remove the existing front and rear sights from the handgun according to the manufacturer's instructions.
- Align the Tru Dot sights with the sight dovetails on the firearm.
- Securely fasten the sights using the appropriate screws or mounting hardware provided.
- Check for proper alignment and ensure that the sights are stable.

### 3. Usage:

- Familiarize yourself with the sight picture. The TruDot system consists of three solid dots: two at the rear and one at the front.
- Practice aiming in various lighting conditions to understand how the sights perform.
- Adjust your shooting technique as necessary to accommodate the sighting system.

## **Disposal Instructions**

- Dispose of any damaged or obsolete sights in accordance with local regulations.
- Do not dispose of sights in regular household waste. Contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or support related to the Tru Dot FIXED PISTOL SET H&K, please reach out to the appropriate local authority or the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of your Tru Dot FIXED PISTOL SET H&K. Always prioritize safety and remain vigilant while handling firearms.
