[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET H&K Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET H&K. This product is designed to enhance your shooting accuracy under various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of your new sights.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Regularly inspect your firearm and sights for wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- If you experience any malfunction or issue with your sights, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the Tru Dot sights are properly installed before use.
- Avoid using the sights in extreme conditions (e.g., heavy rain, fog) that may impair visibility.
- Do not attempt to modify or alter the sights in any way.
- Be cautious when using the sights in lowlight conditions; ensure you are familiar with their operation before engaging in lowlight shooting.
- Keep the sights clean and free from obstructions to maintain optimal performance.
- If you notice any degradation in sight visibility, stop using the product and seek replacement.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver suitable for your firearm.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your firearm.
3. **Align New Sights:** Position the Tru Dot sights in the same location as the original sights, ensuring they are aligned correctly.
4. **Secure Sights:** Use the screwdriver to tighten the screws, making sure not to overtighten, which could damage the sights or firearm.
5. **Check Alignment:** Once installed, check the alignment of the sights before use to ensure they are properly positioned.

### Usage

- When aiming, ensure your focus is on the target while using the threidot sight system.
- Adjust your grip and stance to ensure stability and accuracy when shooting.
- Practice using the sights in various lighting conditions to become familiar with their performance.
- Regularly practice to maintain proficiency with your firearm and sights.

## **Disposal Instructions**

- Dispose of the Tru Dot sights in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of sights in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET H&K, please refer to the manufacturer's website or contact customer support through the appropriate channels. Ensure you have your product details ready for faster assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Tru Dot FIXED PISTOL SET H&K!
