[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET H&K Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET H&K. This product is designed to enhance your shooting capabilities with advanced selfilluminated night sights. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the Tru Dot FIXED PISTOL SET H&K is installed correctly and securely on your firearm.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- Do not attempt to modify or alter the sights in any way that could compromise their safety or functionality.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming or shooting.

Specific Safety Precautions for Use

- The Tru Dot sights are designed for use in lowlight conditions. Do not rely solely on these sights in bright daylight without proper training.
- Ensure that you are familiar with your firearm's operation and handling before using the Tru Dot sights.
- Always wear appropriate eye and ear protection when shooting.
- Do not use the Tru Dot sights with any firearm that is not compatible or specifically designed for them.
- If you notice any unusual performance or issues with the sights, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing front and rear sights according to the firearm's manual.
3. Align the Tru Dot sights with the mounting points on your firearm.
4. Secure the sights in place using the appropriate tools, ensuring a snug fit.
5. Check that the sights are properly aligned before use.

Usage

- Practice using the Tru Dot sights in a safe environment to become familiar with their functionality.
- Adjust your aiming technique to utilize the three solid dots for rapid instinctive aiming.
- Be mindful of the tritium dot colors; ensure you are comfortable with their visibility in various lighting conditions.
- Regularly practice to maintain proficiency with the sights.

Disposal Instructions

- When disposing of the Tru Dot FIXED PISTOL SET H&K, follow local regulations for electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.

- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

Your safety and the safety of others is paramount when using firearms and accessories. By following the guidelines in this instruction manual, you can ensure a safe and effective experience with the Tru Dot FIXED PISTOL SET H&K. Always stay informed about best practices and safety regulations. Thank you for your attention to these important safety measures.
