[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET S&W BODY GUARD 380 G/G Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Smith & Wesson Body Guard 380. This product is designed to enhance your shooting accuracy in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed correctly to prevent accidents.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the shooting area is clear of people and obstructions.
- Regularly check the sights for any signs of damage or wear.
- Be aware of your surroundings and identify your target before shooting.

## Specific Safety Precautions for Use

- Only use the Tru Dot sights with compatible firearms.
- Avoid using the sights in extreme temperatures or conditions that could affect their performance.
- Do not attempt to modify the sights beyond minor adjustments for installation.
- Always wear appropriate eye and ear protection when shooting.
- Keep the sights clean and free from debris to maintain optimal performance.
- Store the firearm and sights in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing front and rear sights from the firearm.
- Align the Tru Dot sights with the mounting slots on the firearm.
- Securely attach the sights using the provided screws, ensuring they are tightened but not overtorqued to avoid damage.
- Verify that the sights are properly aligned and securely mounted before use.

### 2. Usage:

- Familiarize yourself with the sight alignment before shooting.
- Use the threedot system to acquire your target efficiently.
- Practice shooting in various lighting conditions to become accustomed to the sight's performance.
- Regularly check the alignment and condition of the sights after use.

## Disposal Instructions

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods of firearm accessories.

## **Contact Information for Further Support**
