

# Tru Dot FIXED PISTOL SET PARA LDA LDA(POST 2007) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot Fixed Pistol Set Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your product. Please read this guide carefully before using the Tru Dot sights.

## General Safety Guidelines

- Ensure that the product is installed correctly to avoid any malfunctions.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when installing or adjusting sights.
- Do not attempt to modify or disassemble the Tru Dot sights.
- Be aware of your surroundings and ensure that you have a clear line of sight before aiming.
- Use the sights only in accordance with the manufacturer's instructions.
- Store the firearm securely when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing front and rear sights from the firearm.
- Align the Tru Dot sights with the mounting points on the firearm.
- Securely attach the sights using the appropriate tools, following the manufacturer's guidelines.
- Make minor adjustments as necessary to ensure proper alignment.

### 2. Usage:

- Familiarize yourself with the sighting system before using it in a live firing situation.
- Practice aiming with the Tru Dot sights in a controlled environment.
- Adjust your aim based on the lighting conditions; the sights are designed for both day and night use.
- Regularly check the sights for proper functionality, especially after extended use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's website or contact their support team. It is important to have access to assistance for safe and effective use of your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are paramount when using the Tru Dot Fixed Pistol Set.
