

Tru Dot FIXED PISTOL SET KAHR ARMS P380 G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET KAHR ARMS P380 G/G

Safety Instructions

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET KAHR ARMS P380 G/G. This product is designed to enhance your shooting accuracy under various lighting conditions. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure you are familiar with your firearm's operation and handling before using this product.
- Keep the product out of reach of children and unauthorized users.
- Always use the product in accordance with applicable laws and regulations.
- Regularly inspect the sights for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Use only compatible firearms with the Tru Dot FIXED PISTOL SET KAHR ARMS P380 G/G.
- Avoid using the sights in conditions where visibility is severely impaired.
- Do not attempt to modify or alter the sights in any way.
- Ensure that the sights are securely mounted before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation

1. **Tools Required:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the firearm manufacturer.
2. **Remove Old Sights:** Carefully remove the existing front and rear sights from your firearm using the appropriate tools.
3. **Install New Sights:**
 - Align the Tru Dot sights with the mounting points on your firearm.
 - Securely attach the front sight first, followed by the rear sight.
 - Ensure both sights are firmly in place and aligned correctly.
4. **Check Alignment:** Before using, verify that the sights are correctly aligned for accurate aiming.

Usage

- Familiarize yourself with the sighting system. The Tru Dot models feature three solid dots that provide a consistent aiming reference.
- Practice aiming in different lighting conditions to understand how the sights perform.
- Regularly check the sights for proper function and visibility, especially after extensive use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical equipment.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report issues, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Tru Dot FIXED PISTOL SET KAHR ARMS P380 G/G. Always prioritize safety and responsible handling of your firearm and its accessories. Thank you for your attention to these important guidelines.
