

Tru Dot FIXED PISTOL SET WALTHER P99,PPQ 9MM/40 S&W G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instructions

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for Walther P99 and PPQ in 9MM/40 S&W. This product is designed to enhance your shooting experience with combatproven selfilluminated night sights. Please read this safety instruction guide carefully to ensure safe and effective use of your new sights.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure that you are familiar with your firearm's operation and safety features.
- Use only the recommended ammunition type for your firearm.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure proper installation of the Tru Dot sights to avoid misalignment.
- Do not attempt to modify or alter the sights in any way.
- Use the sights only in accordance with the manufacturer's instructions.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- Be aware of your surroundings and ensure a clear line of sight when aiming.
- Use protective eyewear when shooting to prevent injury from debris.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before beginning installation.
- Remove the existing front and rear sights from your firearm.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are firmly attached.
- Verify that the sights are correctly aligned before use.

2. Usage:

- Familiarize yourself with the sighting system before using your firearm in a live environment.
- Practice aiming with the Tru Dot sights in various lighting conditions to understand their functionality.
- For daylight use, the solid dots will provide a clear aiming reference.
- In lowlight or nighttime conditions, the selfilluminated tritium dots will enhance visibility.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the sights become damaged or no longer functional, follow local guidelines for the disposal of electronic components and materials.

Contact Information for Further Support

For any inquiries regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's contact details provided in the product packaging. If you have safety concerns or wish to report an unsafe product, please follow the appropriate channels as outlined by local authorities or the EU's Safety Gate platform.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Tru Dot Fixed Pistol Set. Thank you for your attention to safety.
