

Tru Dot FIXED PISTOL SET CANIK TP SERIES G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET CANIK TP SERIES G/G

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Canik TP Series handgun. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your night sights. Please read and follow these instructions carefully to maximize safety and performance.

General Safety Guidelines

- Ensure that all firearms are handled with care and respect. Always treat every firearm as if it is loaded.
- Only use the Tru Dot sights on compatible Canik TP Series handguns.
- Follow all local laws and regulations regarding firearm use and safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear. Replace them if necessary.
- If you experience any issues with the sights, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before beginning installation.
 - Use appropriate tools and follow instructions carefully to avoid damage.
- **During Use:**
 - Always be aware of your surroundings and ensure a safe backdrop when aiming.
 - Do not use the sights in conditions that may impair your ability to aim accurately.
- **Maintenance:**
 - Clean the sights regularly to maintain visibility and performance.
 - Avoid using harsh chemicals that could damage the sight materials.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Gather necessary tools (e.g., screwdriver, sight pusher).
2. **Removing Old Sights:**
 - Carefully remove existing sights from the firearm using the appropriate tool.
3. **Installing Tru Dot Sights:**
 - Align the new Tru Dot sights in the sight dovetails.
 - Securely tighten the screws without overtightening to avoid damage.
4. **Final Check:**
 - Ensure sights are aligned correctly and are securely attached.

Usage Instructions

- **Aiming:**
 - Use the three solid dots as aiming references in both day and night conditions.
 - Practice aiming under various lighting conditions to become familiar with the sight picture.
- **Shooting:**
 - Always follow basic firearm safety rules while shooting.
 - Adjust your stance and grip to ensure stability when aiming.

Disposal Instructions

- Dispose of any damaged or wornout sights in accordance with local regulations.
- Do not dispose of sights in regular household waste. Instead, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET, please refer to your local distributor or manufacturer's website for assistance.

By following these guidelines, you can ensure the safe and effective use of your Tru Dot FIXED PISTOL SET. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
