

# HYPER BRIGHT FIXED PISTOL SIG - HYPER BRIGHT FIXED PISTOL SET SIG 9MM/357/P SER (NOT 365XL) G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL sights by MEPROLIGHT. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the sights to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that the sights are compatible with your firearm model before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear and damage to the sights.
- If you notice any defects or irregularities, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Visibility:** The sights are designed for lowlight and nighttime conditions. Ensure that you are aware of your surroundings and the visibility conditions before use.
- **Target Acquisition:** Focus on the front sight to improve target acquisition. Practice regularly to enhance your aiming skills.
- **Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Maintenance:** The sights are maintenancefree; however, check periodically for any signs of damage or misalignment.
- **Environmental Conditions:** The sights are designed to be reliable in various weather conditions. However, avoid exposing them to extreme temperatures or excessive moisture.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL sights with the mounting points on your firearm.
- Securely fasten the sights in place, following the torque specifications provided by the manufacturer.
- Doublecheck the alignment and stability of the sights before use.

### 2. Usage:

- Familiarize yourself with the sighting system before using it in a live environment.
- Practice aiming at targets in both daylight and lowlight conditions to understand the sight's performance.
- Always wear appropriate eye and ear protection when using firearms.

## Disposal Instructions

- Dispose of the HYPER BRIGHT FIXED PISTOL sights in accordance with local regulations.
- Do not dispose of the sights in regular household waste. Check for designated disposal sites for hazardous materials.
- If the sights are damaged or no longer functional, consult with a professional for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the manufacturer's website or customer service. Ensure you have your product details ready for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your HYPER BRIGHT FIXED PISTOL sights. Always prioritize safety and responsible handling of your firearm.
