

# **HYPER BRIGHT FIXED PISTOL SIG - HYPER BRIGHT FIXED PISTOL SET SIG 9MM/357/P SER (NOT 365XL) Y RING/G**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET SIG

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET SIG. This guide is designed to provide you with essential safety instructions, proper usage guidelines, and maintenance tips to ensure safe and effective use of your product. Please read this guide carefully before using the sights.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the sights for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- Always treat the firearm as if it is loaded, even when you believe it is not.
- Ensure that you are in a safe environment when handling the firearm.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT sights are designed for optimal visibility in various lighting conditions. However, ensure you are familiar with your surroundings and the lighting before use.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting, which could affect sight alignment and accuracy.
- **Handling:** Always handle the firearm with care and maintain proper firearm safety practices.
- **Aging and Vulnerability:** Ensure that the product is not used by individuals who are unable to understand or follow safety instructions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the sights.
- Remove the existing sights by following the manufacturer's instructions for disassembly.
- Align the HYPER BRIGHT sights with the mounting points on your firearm.
- Secure the sights in place, ensuring they are tightly fitted and properly aligned.
- Doublecheck the installation for stability before use.

### 2. Usage:

- Familiarize yourself with the sighting system before engaging in shooting activities.
- Adjust your stance and grip to ensure the best visibility of the sights.
- Practice regularly to improve your accuracy and comfort with the sights.
- If you notice any issues with visibility or alignment during use, cease operation and inspect the sights.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the HYPER BRIGHT FIXED PISTOL SET SIG, please reach out to your local authorized dealer or manufacturer representative. They will provide the necessary assistance and information.

Please ensure that you keep this guide for future reference and share it with anyone else who may use the product. Your safety and satisfaction are our top priorities. Thank you for your cooperation.
