

# **HYPER BRIGHT FIXED PISTOL SIG - HYPER BRIGHT FIXED PISTOL FRONT SIG 9MM/357/P SER (NOT 365XL) O RING**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SIGHT

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT. This guide provides essential safety instructions and information to ensure the safe use, installation, and maintenance of your new sight. Please read this guide carefully before use.

## General Safety Guidelines

- Product Safety:** This product is designed for safe use in accordance with the EU General Product Safety Regulation (GPSR).
- Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- Online Shopping Protections:** If purchased online, ensure the seller complies with all safety regulations.
- Special Consumer Focus:** Keep this product away from children and vulnerable individuals.
- EU Contact Point:** For safety inquiries, please refer to the relevant EU contact point.
- Rapid Alerts:** Monitor the EU Safety Gate platform for any updates regarding unsafe products.

## Specific Safety Precautions for Use

- Avoid Misuse:** Only use this sight as intended. Misuse may lead to accidents or injuries.
- Environmental Conditions:** Ensure the sight is used in appropriate weather conditions. Extreme conditions may affect performance.
- Installation:** Proper installation is critical for safety and functionality. Follow the installation instructions carefully.
- Visibility:** Ensure that the sight is clean and unobstructed for optimal visibility.
- Regular Checks:** Regularly inspect the sight for any signs of wear or damage. Do not use if damaged.

## Instructions for Installation and Usage

### Installation

- Preparation:** Ensure that the firearm is unloaded and safe to handle.
- Remove Old Sight:** If applicable, carefully remove the old sight following the manufacturer's instructions.
- Mounting the Sight:**
  - Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting area.
  - Securely attach the sight using the provided components.
  - Ensure that the sight is firmly in place and does not move.
- Final Check:** Verify that the sight is correctly installed and aligned.

### Usage

- Aiming:** Use the Unotch shape on the rear sight to naturally direct your eyes to the front sight.
- Lighting Conditions:** The sight is designed for optimal visibility in both day and night conditions.
- Maintenance:** No batteries or switches are required. The sight is maintenancefree but should be regularly checked for cleanliness and functionality.

## Disposal Instructions

- Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding

electronic waste and materials.

- **Recycling:** If applicable, recycle the sight components where facilities exist.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SIGHT, please refer to the manufacturer's customer support or your retailer. Always ensure that you are using the sight in accordance with the safety guidelines provided in this manual.

Thank you for your attention to safety, and enjoy using your HYPER BRIGHT FIXED PISTOL SIGHT!
