

HYPER BRIGHT FIXED PISTOL SET H&K - HYPER BRIGHT FIXED PISTOL FRONT H&K 45,P30,VP9,SFP9 G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET H&K

Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET H&K. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this document carefully before using your sights.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the sights before each use to ensure they are in good condition.
- Keep the sights clean and free from obstructions.
- Store the product in a safe, dry place when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- The HYPER BRIGHT FIXED PISTOL SIGHT is designed for use in various lighting conditions. However, do not rely solely on the sights in extremely lowlight situations without additional illumination.
- Avoid exposing the sights to harsh chemicals or extreme temperatures, as this may affect their performance.
- Do not attempt to modify or disassemble the sights, as this may compromise their safety and functionality.
- Always ensure that the firearm is unloaded when installing or adjusting the sights.
- Use appropriate eye and ear protection when handling firearms equipped with these sights.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from your firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting area on your firearm.
- Securely attach the sights using the provided mounting hardware, ensuring they are tightened according to the manufacturer's specifications.
- Doublecheck the alignment and stability of the sights before use.

2. Usage:

- Familiarize yourself with the sight picture before engaging in target practice.
- When aiming, focus on the front sight to improve target acquisition.
- Practice in various lighting conditions to understand how the sights perform.
- Regularly check the sights for any signs of wear or damage, especially after extensive use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not throw the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions regarding the product, safety concerns, or warranty information, please refer to the manufacturer's official website or contact their customer service department.

By following these safety instructions, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET H&K. Always prioritize safety and responsibility when handling firearms and their accessories.
