

HYPER BRIGHT FIXED PISTOL SET H&K - HYPER BRIGHT FIXED PISTOL FRONT H&K 45,P30,VP9,SFP9 Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET H&K

Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET H&K. This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the HYPER BRIGHT FIXED PISTOL SET H&K by following all instructions provided in this guide.
- This product is designed for use by individuals who are familiar with firearms. If you are not experienced, seek guidance from a qualified instructor.
- Always treat all firearms as if they are loaded, even if you believe they are not.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage. If any issues are found, cease use and consult a professional for repairs or replacements.
- Follow local laws and regulations regarding the use and ownership of firearms and firearm accessories.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the HYPER BRIGHT FIXED PISTOL SET H&K.
- Ensure that the firearm is pointed in a safe direction at all times during handling.
- Avoid using the firearm in poorly lit areas without adequate illumination.
- Be aware of your surroundings and ensure that you have a clear line of sight to your target.
- Do not attempt to modify or disassemble the HYPER BRIGHT FIXED PISTOL SET H&K. Any modifications may compromise safety and performance.
- If you experience any issues with the sights, such as loss of illumination or physical damage, do not use the firearm until the issue has been resolved.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before installation.
- Remove any existing sights from the firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SET H&K sights with the mounting points on your firearm.
- Secure the sights in place using the appropriate screws or mounting hardware. Ensure they are tightened to the manufacturer's specifications.
- Confirm that the sights are properly aligned and secure before use.

2. Usage:

- To activate the sights, simply aim the firearm as you normally would. The tritium illumination will function automatically in lowlight conditions.
- For daytime use, the bright colored ring will provide excellent visibility against your target.
- Practice regularly to familiarize yourself with the sight picture and aiming process.
- Always clean the sights with a soft, dry cloth to maintain clarity and visibility.

Disposal Instructions

- When the HYPER BRIGHT FIXED PISTOL SET H&K reaches the end of its life cycle, dispose of it in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET H&K, please refer to the manufacturer's contact information provided on the packaging or official website. It is important to reach out for assistance if you have questions about safety, installation, or product performance.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and enjoyable experience with the HYPER BRIGHT FIXED PISTOL SET H&K. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these important guidelines.
