# MEPRO FL Bullseye™ (FIBER LED) Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO FL Bullseye™ (FIBER LED) sight. This guide provides essential safety instructions to ensure the safe use and handling of your sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat the sight with care to avoid damage.
- Keep the sight out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notifications via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the sight in conditions that exceed its specified operating limits.
- Avoid exposing the sight to extreme temperatures or harsh weather conditions.
- Do not attempt to disassemble or modify the sight.
- Ensure that the sight is securely mounted on the firearm before use.
- Use the sight only for its intended purpose as specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions for mounting the sight securely on your firearm.
- Verify that the sight is aligned correctly for optimal accuracy.

### 2. Usage

- Familiarize yourself with the operation of the sight before use.
- Adjust the brightness settings according to the lighting conditions.
- Use the light sensor feature to ensure optimal visibility at all times.
- Practice safe shooting techniques and always follow local laws and regulations regarding firearm use.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations for electronic waste.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged beyond repair, contact a local waste disposal service for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the safety and use of the MEPRO FL Bullseye™ (FIBER LED), please refer to the

manufacturer's contact information provided with your product. Ensure you have the product details readily available when reaching out for assistance.

Thank you for prioritizing safety while using the MEPRO FL Bullseye™ (FIBER LED) sight. Your adherence to these guidelines will contribute to a safe and enjoyable shooting experience.
