

MEPRO EVERGREEN PISTOL SET CZ P10 - EVERGREEN PISTOL SET CZ P10 G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET CZ P10. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before using the Mepro Evergreen™ sight to understand the precautions and procedures necessary for safe operation.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before use.
- If the sight is damaged or malfunctions, discontinue use immediately and contact a qualified professional for assistance.
- Always wear appropriate eye protection when using firearms equipped with the Mepro Evergreen™ sight.

Specific Safety Precautions for Use

- The Mepro Evergreen™ sight is designed for use in both daytime and nighttime operations. Ensure proper visibility conditions before use.
- Be aware of your surroundings and ensure that your line of sight is clear of obstacles and unauthorized persons.
- Do not modify the sight or any part of the firearm in any way. Unauthorized modifications can compromise safety and performance.
- Ensure that the sight is securely mounted on the firearm before use. Loose or improperly installed sights can affect accuracy and safety.
- Do not attempt to disassemble the sight. Internal components are calibrated for optimal performance and should only be serviced by qualified personnel.
- Avoid exposing the sight to extreme temperatures, moisture, or corrosive environments, as these conditions can affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before installation.
- Follow the manufacturer's instructions for mounting the sight onto the firearm.
- Make sure the sight is securely fastened to prevent movement during use.
- Confirm that the sight is aligned correctly with the firearm's barrel for optimal accuracy.

2. Usage:

- Familiarize yourself with the sight's operation before engaging in live fire exercises.
- Adjust the brightness of the LED sight according to the lighting conditions to ensure optimal visibility.
- Practice target acquisition with the sight in a controlled environment before using it in the field.
- Regularly check the sight's power source to ensure it is functioning properly.

Disposal Instructions

- Dispose of the Mepro Evergreen™ sight in accordance with local regulations for electronic waste.
- Do not dispose of the sight in regular household waste.
- If the sight contains batteries, ensure they are removed and disposed of according to local battery recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET, please refer to your local authorized dealer or manufacturer's representative for assistance. Ensure you have your product details on hand for a more efficient support experience.

By following these safety instructions, you can ensure a safe and effective experience with your MEPRO EVERGREEN PISTOL SET. Always prioritize safety and responsibility when handling firearms and accessories.
