

MEPRO EVERGREEN PISTOL SET CZ P10 - EVERGREEN PISTOL SET CZ P10 G RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET CZ P10 Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET CZ P10. This safety instruction guide is designed to provide you with important information regarding the safe use of your product. Please read this guide carefully to ensure proper handling and to maximize your safety.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Mepro Evergreen™ illuminated sight for both daytime and nighttime operations.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If necessary, free remedies will be provided for dangerous products.
- **Online Shopping:** Ensure that any online purchase of this product is made through authorized platforms that meet safety requirements.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please refer to the EU-based contact point associated with this product.
- **Rapid Alerts:** Stay updated on any unsafe product alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the Mepro Evergreen™ sight is securely attached to your firearm before use.
- Do not attempt to modify or disassemble the sight, as this may result in malfunction or injury.
- Ensure that the sight is used in accordance with the manufacturer's instructions to avoid potential hazards.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming at targets.
- Do not use the sight in adverse weather conditions that may impair visibility or safety.
- Keep the sight out of reach of children and unauthorized users.
- Regularly check the sight for any signs of damage or wear. If damaged, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before attaching the sight.
- Follow the specific instructions provided in the product manual for proper installation of the Mepro Evergreen™ sight.
- Use the appropriate tools as specified in the installation instructions to secure the sight.

2. Usage:

- When using the sight, ensure it is turned on and the LED light is functioning properly.
- For optimal target acquisition, align the illuminated dots with your target.
- Practice regularly in a safe environment to become familiar with the sight's operation and capabilities.
- If the sight fails to illuminate or shows any irregularities, cease use and consult the manufacturer.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the sight in regular household waste.
- Check with local authorities for specific disposal guidelines to ensure environmental safety.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET CZ P10, please refer to the designated contact point provided by the manufacturer.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we appreciate your commitment to responsible usage.
