[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

## Safety Instructions

### Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set H&K 45. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this manual carefully before use to understand all safety precautions and operational instructions.

### General Safety Guidelines

- Ensure that the Mepro Evergreen™ is used in accordance with all local laws and regulations.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the Mepro Evergreen™ in a secure location away from children and unauthorized users.
- Regularly inspect the sight for any damage or wear, and do not use it if it appears compromised.
- Be aware of your surroundings and ensure that your target and what is beyond it are safe before discharging your firearm.

### Specific Safety Precautions for Use

- Do not use the Mepro Evergreen™ sight if it has been damaged or modified in any way.
- Avoid exposing the sight to extreme temperatures or harsh environmental conditions that could affect its performance.
- Ensure that the battery is correctly installed and that you are using the recommended battery type.
- Do not attempt to disassemble or repair the sight yourself; always seek professional assistance if needed.
- Use the sight only for its intended purpose and in accordance with the manufacturer's instructions.

### Instructions for Installation and Usage

#### 1. Installation

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions to properly mount the Mepro Evergreen™ sight onto your firearm.
- Tighten all screws securely to prevent movement during usage.

#### 2. Usage

- Activate the LED light source as per the instructions provided in the product manual.
- Adjust the sight to align with your shooting position and ensure accuracy.
- Practice target acquisition in a safe environment to familiarize yourself with the sight's functionality.

### Disposal Instructions

- Dispose of the Mepro Evergreen™ in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it according to local battery recycling programs.
- Do not throw the sight in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or support, please consult the manufacturer's website or customer service channels for assistance.

## **Conclusion**

Your safety is of utmost importance. By following these guidelines and instructions, you can ensure the safe and effective use of the Mepro Evergreen™ Pistol Set H&K 45. Always prioritize safety and responsible handling of your firearm.
